SGAP AGM –Saturday 29th March 2003 (day before Mother's Day)

Hello everyone, another year has gone and it's that time of the year when SGAP hold their Annual General Meeting. We've changed the venue this year to the new Jubilee Centre in Bradley Stoke, which has great modern facilities and accessibility. Each year we get more and more members attending which is great as it shows your support for SGAP and we look forward to welcoming everyone again this year.

Remember to come early and avoid missing our presentation on the year's activity. We also hope to initiate some new activities which you get to see on the day. It is also a chance to renew your annual membership and also stand for election to the Committee (see attached Nomination Form if you do).

SGAP AGM Saturday 29th March 2003

NEW MEMBERS and NEW ACTIVITIES

At SGAP we are aware we probably don't reach or provide for all the activities that our paid and non-paid-up members may want or desire. Being a relatively new organisation we are constrained by limited resources and can only do as much as we can fit in bearing in mind our work is voluntary. But, to make a difference we need you to let us know of what YOU want and also to spread the word and let your friends and relatives know about SGAP. The easiest way is for them to join SGAP (see below) and that way we can keep members informed of what's happening:

Possible new activities: **Hindi Classes, Punjabi Classes,
"Art of Living" Yoga,
Indian Cookery Classes,
Hindi Film Singing Lessons.....**

SGAP Membership Fee (£3 per Adult)

In order to maintain these services and to promote further activities, we charge an :

Annual Membership Fee of £3 per adult aged 18 and over.

By paying for membership you will be entitled to discounts at any function or event we hold and will pay for itself very quickly. To pay this fee then please contact Sapna on 0117-9838002 , see web-site for details OR Pay at the AGM.

Please note that Membership runs for 1 Year from **1st April to 31st March** for following Year.

Community Award for SGAP Chairman

Congratulations to SGAP Chairman, Jitesh Mistry who has won a special award for his outstanding service to the Asian community for voluntary work in South Gloucestershire.

Jitesh's charismatic charm is well known, and always goes beyond the call of duty, which continues to motivate people around him. This was recognised at a special gala event hosted by Airbus, where presentations were made by Chair of the Council, Jeanette Ward to select individuals for their leadership and commitment to the community.

South Gloucestershire Council wish to evaluate how people from ethnic minorities and persons with disabilities perceive the services we provide through Community Services.

To help them SGAP is going to conduct a Survey in conjunction with the Council. The council are going to provide us with the Survey Form and what we need from you is to fill it in and return it. Details will be given at the AGM but we will be writing to you in any case soon.
